Solomon Islands

FEMALE HEADCOUNT BY POSITION

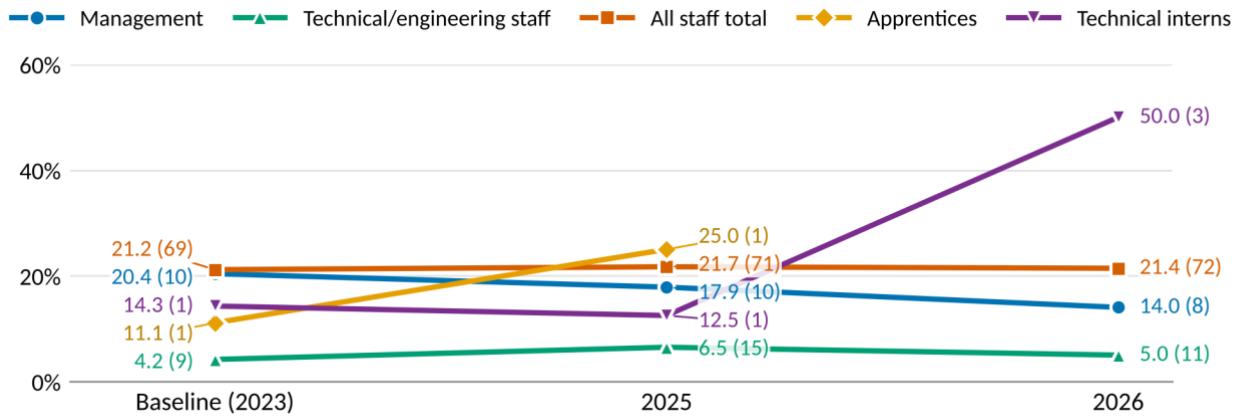

Number of women in each position at baseline (2023), August 2025 and August 2026. Logarithmic scale with zero at the bottom.

TOTAL HEADCOUNT BY POSITION

Total number of staff (women and men) in each position at baseline (2023), August 2025 and August 2026. Logarithmic scale with zero at the bottom, so that small and large groups are both readable.

SHARE OF WOMEN BY POSITION (%)

Share of women (%) in each position at baseline (2023), August 2025 and August 2026, with the number of women in brackets.

Notes: 1. Non-executive Board members are excluded; 2. Technical staff encompasses all individuals in STEM positions, irrespective of grade or education - this excludes social scientists (e.g., economists) and those with STEM degrees not currently in STEM roles; - = not applicable; F = female; M = male.
